“ *William was the truest friend I have ever known. It hurt me greatly to lose him. We truly helped each other in time of need. Guess it is just now sinking in, after the funeral that he is truly gone. It is with a very heavy heart that I am beginning to realize the hurt I feel at his passing, I loved when the preacher said that he was a king. He truly was a king among all his friends and family. He will be truly missed..*
