“ *Nancy and Gary and Erin, I was so saddened to hear of Brad, He was A Good Person and a fine Man! I Never will forget the first time I saw him, he needed a fuel pump on his car and I put it on for him. He thanked me and every time I saw him he would smile and talk to me! I can never find the words to say when something like this happens, but you and the family are in my prayers and hoping as time goes by it will get easier cause I know you will never really get over it! Love to you and the family!! Jerry Randall, wish I could have been there for you all!!*

“ *Brad was a good friend and neighbor. Our Bichon dog Bella loved Brad and his dog Chance. She would look out the kitchen window across the street waiting for Brad to come home and let Chance outside. We then let her out to go visit them. It's hard to look at the house and know Brad isn't coming home. We pray for the family and friends who will all be missing Brad.*

“ I always knew him as "Rat Trap" back when we were younger with driving Jeeps and riding motorcycles. I have not seen him in years but saw him hanging Christmas lights for the City of Seneca as I was walking to get my hair cut. He was the same Brad with that smile, a hello and how are you doing? I am shocked and very saddened to hear this news. I send my deepest sympathy.
