“ Rhonda, Charlie, Rebecca & Clay,

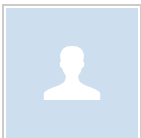

Please know that I have been thinking of you all through this time. I can't imagine how difficult it would be to loose both a mother/grandmother and a father/grandfather so close together. You all must be very strong or else God would not have let you endure so much in a short period of time. I'm sure time will be your friend in the upcoming months. Please take care and know I'm here should you need anything. God bless you all.##imported-begin##Elaine Carter##imported-end##
