The family is at their respective homes.

Born with special needs, Ms. Johnson lived the majority of her life in the care of direct support professionals. For the past twenty plus years, she has been under the loving and supportive care of the staff of the Allendale Barnwell Counties Disabilities and Special Needs Board, where she attended the day program and was a resident of their Academy Street House. Ms. Johnson loved her house friends, and the ladies that cared for her, who lovingly dubbed her Woo Woo.

Woo Woo was a lady who enjoyed having her hair styled with bows and getting manicures to ensure that she always looked pretty. Woo Woo was excited by the simple pleasures of life. She enjoyed being with her friends, visiting with her family, her daily rides to and from the program, and listening to music. Woo Woo especially enjoyed getting dressed up and attending dances.
