“ *Harry & Iris are among the people I remember best since my visits to Newry SC in the mid nineties. They were in a way friends that I never really got to know but our brief encounters back them somehow entrenched them in my memory and among my friends from the past. I am sorry that such a beautiful partnership is separated by Harry's death. No doubt Iris the happy memories you have of Harry will help lessen your grief. God Bless. P.J. Bradley, Newry, Ireland.*
