“ Woody was and always will be my friend. We shared so many laughs . I may be wrong , but I think I may have played one of his first rounds of golf, together some six or seven years ago. My memory is not to good but I think that it was a Home Builders outing . I do remember for sure him saying "how does anyone enjoy playing this game" Like I say I may be wrong , but I sure hope not . "dammit Woody" I know I will miss you.

Dana , Our thoughts and prayers are with you. Don't think we have ever known two people who loved each other so much.

“Woody was of great benefit to many of us in the Electrical World. His reputation and good work ethic made introduction for itself. Though I didn't know Woody outside of our professional connection, I will forever appreciate the knowledge he shared, and his willingness to help me be the best I could be in my job. I can understand how he may have been so well liked and respected by so many. Thank you, Woody ! We will be praying for his family, friends, and associates. Woody will not be forgotten.”
